## BOOKS IN HOME

Here is a snapshot from Books In Home Term 4 Primary Program Book Giving Assemblies, which have just started around the nation. Assemblies are held outdoors and indoors, in large schools and small schools, formally or informally, in urban, regional and outback schools... all connected to the Books in Homes Program and their respective sponsors through the children's love of reading. Some schools host virtual assemblies, using Zoom, Teams, or other online platforms to connect Sponsors, Role Models and students.

The Rotary Club of Mosman participated in Books in Homes, sponsoring Plunkett Street Public School (Woolloomooloo, NSW)

## ANGELO RAVEANE – RYLA PROGRAM EAST TIMOR UPDATE

Our club was very pleased to see Angelo's familiar face again last Monday 28 November as he recapped the history of Timor and its regions, and most specifically to give us his update on the RYLA - Rotary Youth Leadership Awards Program and his involvement in East Timor.

The profound impact that this program has had on the youth in East Timor was evident in a video shown by Angelo during his update. His work, together with fellow Rotarian Theo Glockerman is truly inspirational.

Angelo is the recipient of the prestigious Rotarian Vocational Excellence Award – The Graham Turnidge Shield – awarded for enhancing the image of Rotary through commitment, integrity and excellence in his vocation and service to Rotary.
