UPDATE ON OUR HARDING MILLER SCHOLARSHIP From Past President Di

UPDATE ON OUR HARDING MILLER SCHOLARSHIP

By Past President Di
From Cara Varian
Managing Director HMEF

As we approach the end of the school year, we want to thank you all for your wonderful support of the Foundation. In 2022 we have supported our biggest group of students with over 500 scholarship recipients on the program.

The above map shows where our scholarship recipients are located in every state and territory. On the program this year, 40% of students are from non-English speaking backgrounds, 16% identify as First Nations Australians, 10% have experienced out-of-home care, 9% have experienced domestic violence, 6% have a disability and 5% have told us they experience mental health concerns.

We would not be able to support these girls without you

Our Year 12 scholars have just finished high school and preparing for their next big adventure. They have all worked extremely hard and we are looking forward to hearing about their results and success over the coming months. **Your support of the Foundation is changing these girls' lives and giving them a bright future.**

Applications for Scholarships commencing in 2023

Our 2023 selection process has recently been finalised. We have been extremely busy over the past couple of months assessing and judging all the scholarship applications. We received over 700 applications from 280+ schools across every state and territory in Australia.

We are excited to announce that we will be awarding 199 new scholarships in 2023, which includes 40 students who will receive a brand new type of scholarship. The new Gold Scholarships are additional scholarships beyond our current model and have been introduced to ensure that an extra 40 extremely talented and dedicated students who would have otherwise missed out will receive a scholarship. In Years 9 and 10, the gold scholarship recipients will have access to all of the tools and resources of the scholarship with the exception of tutoring but they will get access to tutoring in the important senior years of high school.

Thank you to all our judges and volunteers who have supported us with the selection process over the past couple of months. The successful girls have just been advised and we look forward to providing our donors with updated information about our scholars in February.

Many thanks to the continued support for HMEF from our Board

Rotary International–Toastmasters Alliance

Rotary International–Toastmasters Alliance

A Rotarians, you joined Rotary to make a difference and connect with others in your communities.

To help you achieve your personal and professional goals, Rotary International and Toastmasters International have formed an alliance to provide opportunities to grow your networks, your leadership and communication skills, and your impact within the community.

This alliance with Toastmasters is different from Rotary International's relationships with other organizations: It enhances your membership experience through professional development opportunities and making connections beyond your club.

What is Toastmasters?

[Toastmasters International](#) is a nonprofit, educational organization with more than 15,800 clubs in 149 countries. Since 1924, it has helped its members become more effective speakers, communicators, and leaders through a worldwide network of clubs, much like Rotary.

How can we club get involved?

It's easy for Rotarians to engage:

- [Find a Toastmasters club](#) near you and arrange a visit.
- Welcome Toastmasters members to your club so they can learn more about Rotary and Rotaract.
- Invite a Toastmasters member to be a guest speaker at your meeting or to participate in an upcoming service project.
- Explore ways to work with your local Toastmasters club.
- Raise awareness about this alliance by [sharing the news](#) with your club and Toastmaster clubs that may not be aware that we are working together.
- Take the Toastmasters-developed communication and leadership courses in the Learning Center;

MARY'S HOUSE HAMPER DELIVERY FOR CHRISTMAS 2022

MARY'S HOUSE HAMPER DELIVERY FOR CHRISTMAS 2022

Past President Derek and Past President Di enjoyed working together on providing five hampers to Mary's House for Christmas.

Hampers were specifically prepared for distribution to two Single Ladies, three Single Mum's with children ranging in age from 2 – 10 years of age. The hampers contained Christmas food and treats as well as wrapped gifts appropriate to the allocated families.

The team at Mary's House was absolutely delighted with our delivery, including our choice of container – red buckets – which will be put to great use well after the festive season is over!

Derek and Di look forward to working with Mary's House again next year and are committed to providing TEN hampers for 2023. This project is a lot of fun and greatly rewarding – we hope that other members will make up more Teams for Two next time!
