## **TUESDAY 13<sup>th</sup> JULY – CLUB MEETING BY ZOOM STARTING AT 12.50PM**

OOZOO

Last Tuesday our guest presenter was John Zhang, our new Area Governor who talked about the not-for-profit organisation Special Childrens Support Centre (SCSC) which he co-founded. The SCSC supports children from culturally and linguistically diverse backgrounds who are living with intellectual disabilities. Support is also provided to the families and carers of the children and at this time they are supporting more than 100 families. A really inspiring story demonstrating the difference which can be made when a few like-minded individuals get together!

This coming week we will be hearing from Brian Owles who is transferring across to Mosman Rotary as a new member for our Club. We welcome John and are looking forward to his involvement in Club activities.

## FLOOD RELIEF IN TIMOR-LESTE (T-L)

You will recall our Club joined with others in our district to provide a total of \$10,000 to support flood relief in T-L. Our established network of T-L RYLA alumni were able to identify individuals in most need and to distribute urgently needed supplies. (And it should be noted that as in all projects in T-L the RYLA alumni have an established system to account for all funds back to Rotary in Australia.)

## SUPPORT FOR HEALTH CARE WORKERS

A story from Lithuania.....

To lift the spirits of health workers responding to the pandemic, members of the Rotary Club of Vilniaus sv. Kristoforo treated the staff of Vilnius City Clinical Hospital with pastries “to make them feel appreciated and, hopefully, make them smile a little more often,” says club member Giedrius Sulnius. Over the course of 10 Fridays concluding in late March, the club ordered 600 pastries, at a cost of \$825, from a local bakery. “We cannot visit medics, but we can help them feel appreciated,” Sulnius says, while noting that documenting the “Smiles for Doctors” project proved to be a challenge. “As soon as someone tried to take a photo, the pastries were already gone.”
