

### **Acknowledgement of Country**

We acknowledge the Borogegal and Cammeraigal people as the traditional custodians of the land on which our Club meets. We pay our respects to Elders past, present and emerging.

## **TUESDAY 10<sup>th</sup> August – CLUB MEETING BY ZOOM STARTING AT 12.50PM**

OOZOO

We had a great talk last week from new member David Jackson who shared with us his stories about his family's agricultural roots, and but how is father bucked the tradition and became a banker. Being a child of a banker Dave became familiar with the message to the family which runs something like ....I am being moved again and in 2 weeks' time start my new job in a different state (or country). Throughout his life Dave has played many sports but most interesting to hear were his exploits with the Adelaide University Broomball Competition. (<https://basa.org.au/>).

Currently Dave is in executive search specialising on roles in the Agricultural sector and it is great to hear about of the strength of that industry (and particularly about all the opportunities in AgTech). Great time to talk with your children, grandchildren and friends about job opportunities to enable an escape to the country!

We are looking forward to hearing this week from Rebecca Fitzpatrick who will be talking about Lou's Place Women's Day Refuge.

## CLIMATE AND PEACE FORUM 10<sup>th</sup> AUGUST

The CLIMATE & PEACE FORUM brings you world-leading voices connecting climate change and peace. Through engagement with concerned individuals we promote climate action to increase advocacy within government and corporate communities; to raise awareness of NGOs, Rotary and individuals; to identify and promote activities and to establish partnerships. This quarterly event is initiated by Rotarians for everyone.

On 10<sup>th</sup> August the discussion topic will be “What are our Security Risks in the Climate Crisis – Defence, Energy and Food?” The speakers will be Australia’s retired top defence planner Cheryl Durrant; an expert in dispatchable energy storage Prof. Lachlan Blackhall; and a fiery campaigner for farming reform in Anika Molesworth. You will hear why climate and peace have to be considered together.

The Forum is an initiative of the Rotary Club of Sydney Cove, supported by the Rotary Clubs of Sydney, Darling Harbour and Corrimal.

Here is the link to register for the event – videos of the event will also be available.

## EXCHANGE STUDENT UPDATE FROM HARUTO

Hello everyone. How are you? I’m doing well at University. I’m studying economics in English in Sophomore year. In the situation of Covid-1109, I cannot attend uni as usual but using Zoom as online classes. It was very tough for us to have class on it. My summer vacation started in July. I was enthusiastic about the Olympic Games. Did you enjoy it? The Aussie Team did pretty well in Tokyo. I was working in the Olympic Village as a dining worker. It was a very special experience and my English which I learned in Australia helped me very much. I’m always very appreciate you all the members of the club and I’m happy to able to make use of that experience. I definitely want to go back to Australia after Covid. I hope everyone will be happy to overcome the Covid. Thank you for reading.

## JIGSAW CHALLENGE

At the Board meeting last week James gave us an update on sales, which are proceeding (without promotion) at around 10 per week. Obviously we will have a major promotional effort leading up to the Christmas period. In the meantime, the Board agreed with Mark Alderson’s suggestion that we post some images online that show people doing the Puzzle. Ideally these should be funny, or in a creative location, or with a twist on just doing the game. Members (and their friends) are being asked to send in the images with the best images being posted. No faces, just the images of the game being done. Please send input to Mark Alderson, James Humphery and Clare Stockdale.

## ZOOM IN FOR FRIDAY DRINKS

Don't forget to dial-in each week for Friday drinks from 5pm to 6pm. As the Sydney lockdown continues this is proving to be a great opportunity for friends to catch-up and share news. As always the R-WORD will be avoided!
