

Acknowledgement of Country

We acknowledge the Borogegal and Cammeraigal people as the traditional custodians of the land on which our Club meets. We pay our respects to Elders past, present and emerging.

TUESDAY 5th October – CLUB MEETING BY ZOOM STARTING AT 12.50PM

Last week CEO Sarah Brown shared great stories about the achievements of the Purple House team. With remote Indigenous people in Central Australia up to 30 times more likely to suffer from kidney disease, Purple House provides remote dialysis facilities enabling people to receive treatment while living on country. The map below shows a D for on-site dialysis support and of course there is also the purple bus which provides travelling support.

VAAN DAGLAN AND THE JIGSAW PROJECT

In May the Club received a certificate of appreciation from Felicity Wilson regarding our jigsaw project. Given the incredible number of hours Vaan put into this project, finalising the artwork and images; ensuring we had the right digital images for manufacturing; and responding to all the comments and suggestions from members; at its last meeting the Club's Board decided unanimously to present this certificate to Vaan in appreciation of her creativity and dedication.

Well done Vaan!

DONATION OF FACE MASKS TO VIETNAM

In June, Club member Danny Low approached the club indicating that he had identified a source of surplus face masks for which there was great demand in Vietnam where despite initial strong efforts at controlling the pandemic there were rapidly increasing COVID case numbers. The Board agreed to support the administration of arranging supply from the Medical Repurposing Network (a project of the Rotary Club of Sydney Cove) and also supporting logistics and freight cost from warehouse to Vietnam of a 20 foot container with 300,000+ KN95 face masks. The shipment has arrived and was distributed to two different provinces and as you can see was very well received by our colleagues in Vietnam. Danny is also keeping in touch with the starting up of Rotary in Vietnam which given our Club's long involvement in medical training in that country should augur well for identification of future potential projects.

ZOOM IN FOR FRIDAY DRINKS

Don't forget to dial-in each week for Friday drinks from 5pm to 6pm. As the Sydney lockdown continues, this is proving to be a great opportunity for friends to catch-up and share news.
