

### Acknowledgement of Country

We acknowledge the Borogegal and Cammeraigal people as the traditional custodians of the land on which our Club meets. We pay our respects to Elders past, present and emerging.

OOZOO

**TUESDAY 9<sup>th</sup> November – the Club meeting will be face-to-face at the Mosman Rowers commencing at 12.45pm. If you wish to have AUDIO access to the meeting, please contact Dom Rabu in advance. There will be no ZOOM session. As always, please ensure you have your vaccination certificate on hand.**

Hopefully everyone had the chance to get out and about last week and for some it was certainly a great time to catch up with friends at one of the Tuesday Melbourne Cup events.

This coming Tuesday our guest speaker will be Brad Manera who is the Senior Historian and Curator of the ANZAC War Memorial in Hyde Park. In addition to talking about the memorial, Brad will also be talking about Edward "Teddy" Sheehan VC.

## ROTARY STUDENT EXCHANGE UPDATE

Hi Barry,

Some news about myself since the last time I spoke at the club.

My new job in sales is going well and we even have an Australian customer! I finished my third marathon and also my first triathlon with my girlfriend. In October I moved to Berlin as my girlfriend is starting a new job there.

Will talk soon,  
Malte Alberts.

## A MESSAGE FROM THE CLIMATE AND PEACE TEAM FROM THE ROTARY CLUBS OF SYDNEY

We are now at the very pointy end of Climate negotiations with CoP26 in Glasgow, well underway. As we have said: 'It must succeed for the sake of our planet, our livelihood and future generations'.

Meanwhile, what can you and I do about this? Well, we can at least be part of the electric vehicle (EV) revolution. And post-COVID low-cost EVs are about to burst onto markets worldwide. So this is the focus of our next Climate & Peace Webinar on Tuesday 16th November. Register via [www.climateandpeace.com.au](http://www.climateandpeace.com.au)

While much commentary will be analyses of CoP26, our speakers will focus on the EV revolution as one of the positive outcomes. And you will be better placed to make an informed choice.

Please register now and tell your friends: [www.climateandpeace.com.au](http://www.climateandpeace.com.au)

## FUTURE FUNDRAISING ENDEAVOUR!

Mark Alderson has been in touch with Bunnings and has secured two locations where we will be able to run a Saturday BBQ. The precise dates and locations are yet to be determined, however could you please contact Dom Rabu if you want your name on the schedule of Club members who could man the BBQ and till. Just to be clear – these events would only be held on the dates specified by Bunnings as they would be allocating slots in each store to many different organisations.

Watch this space as more details become available!
