Acknowledgement of Country

We acknowledge the Borogegal and Cammeraigal people as the traditional custodians of the land on which our Club meets. We pay our respects to Elders past, present and emerging.

TUESDAY 16th November – the Club meeting will be face-to-face at the Mosman Rowers commencing at 12.45pm. Please contact Dom if you wish to have video access.

Last week we had a very interesting and inspiring story from Brad Manera, Senior Historian and Curator of the ANZAC War Memorial in Hyde Park, who took us through the multi-decade long story about Teddy Sheehan who became the first Royal Australian Navy service person to receive the Victoria Cross. Brad was thanked by Past President Charlie Barnett.

RECOGNITION FROM THE ROTARY FOUNDATION FOR CHARLIE BARNETT

At our last Club meeting President Mark Wallis presented Past President Charlie Barnett with a Paul Harris Ruby Pin in recognition of his personal contributions to the Rotary Foundation. This followed Charlie's receiving four sapphire pins! Well done Charlie and thank you very much for your wonderful on-going support.

A correction to the title of Bill's Book (see OoZoO of 2nd November). The complete title is : "Hard Yards, The Life and Times of a Third World Plastic Surgeon". It is selling for \$31.75 but Bill is making the book available to Rotarians for \$25. Please contact Clare Stockdale if you need further information.

10th November 2021

Dear Mark and friends from the Rotary Club of Mosman,

Our staff and the board are grateful and so thankful for your donation of 10 mobile phones for our families.

When our clients reach out to us for safety, the importance of giving them a new phone that has no tracking apps or devices means not only physical safety for the mum but safety from a mental health perspective too.

This has certainly alleviated a problem we had with a couple of families, especially in Delvena.

Thank you again for your ongoing generosity.

Kind Regards

UPDATE ON FUTURE CLUB ACTIVITIES

Please indicate your interest in joining or participating in the following activities. You can send your input to Dom Rabu.

1. Christmas lunch for members & their guests at the Royal Sydney Yacht Squadron at Kirribilli. We are just waiting for availability from the Squadron so watch this space.
2. First aid/CPR course which could be run as part of an extended Tuesday lunch meeting. An event like this could end up being important to our immediate family, our friends, our children and our grandchildren. The cost would depend on the number of attendees.
3. Bus trip to the NSW Art Gallery to see the Purple House art exhibition following on from our guest speaker Sarah Browne's presentation (see OoZoO for 28th September). This would be followed by lunch at a venue to be organised – potentially the Mosman Rowers with bus transport provided to and from the gallery.
4. Bus trip to the ANZAC War Memorial at Hyde Park, in line with discussion from their curator at our Club meeting this week.

JIGSAW SELLING PLANS

With Christmas fast approaching we plan to end the year with a strong push for our Jigsaw Puzzle fundraising project. What an ideal Christmas gift! Spread the word and remember puzzles can be purchased either via our Rotary Club website and a Trybooking link, (pay and collect at Mosman Newsagent), or purchased directly from the Mosman Newsagent (opposite Mosman High School).

In addition to these normal sales channels we will be selling jigsaws at the **Mosman Markets on Saturday 4th December (9:00 to 3:00)**; the **Evening Market on Thursday 9th (4:30 to 9:00pm)** and we will also have a stall at **Bridgepoint** the last weeks of November and early December. Volunteers are required to help sell the jigsaws at these locations. Please contact James Humphery to put your name down to help.

Approximately 60% of the jigsaws have now been sold, so for those who missed out on the pre-lockdown opportunities to purchase, now is the perfect time to buy before stocks run out.
