Acknowledgement of Country

We acknowledge the Borogegal and Cammeraigal people as the traditional custodians of the land on which our Club meets. We pay our respects to Elders past, present and emerging.

TUESDAY 23rd November – the Club meeting will be face-to-face at the Mosman Rowers commencing at 12.45pm. Please contact Dom if you wish to have video access.

We heard last week from Margot Whitfield who talked with us about her experiences which led to the establishment of Pacific Dermatology Limited, a DGR-accredited, Australian Not-For-Profit, with a mission to improve skin health in the Pacific, by supporting the education of specialist skin doctors. To achieve this, they have established the Pacific Dermatology Training Centre in Suva to offer post-graduate Diploma and Master's degree courses. It is a partnership with Fiji Ministry of Health, Fiji National University, and volunteer Australian dermatologists. This transformative project has been funded by more than AU\$1,000,000 in private donations over 5 years. The attached link provides more information on Pacific Dermatology.

This week's guest speaker will be Narelle Martin from Bear Cottage children's hospice in Manly which provides Paediatric Palliative Care support. **Please note that funds raised from this year's Mosman Rotary Christmas Raffle will go to Bear Cottage. We encourage all our OoZoO readers to support this wonderful organisation by participating in our raffle.**

PLAY IT FORWARD SWING UPDATE

As you know we have sponsored one of the “all ability swings” being installed in parks around Mosman. Here is an update from Caroline Ghatt (the co-founder of Play It Forward) on the success of the first swing installed - at Balmoral Beach.

“We’re 3 weeks into the Play It Forward campaign with around 10 days to go. So far, the community (despite the rain!) has tallied up more than 70,000 swings for inclusion. They have absolutely smashed our original goal of 25,000 swings in 4 weeks. It’s been absolutely incredible – and we are not done yet!”

In terms of PR, we’ve had some great coverage via Mosman Living, The Mosman Daily, Mosman Council e-letter and website pages and via local influencer Gabrielle Bartlett. A few of the screengrabs are below. North Shore Living will hopefully also run a story in one of their upcoming editions too.

On social media, we are continuing to run a paid campaign which includes promotion of your organisation as a sponsor. Over the past 3 weeks we have reached more than 80,000 people and have had more than 170,000 video plays. Thank you for sharing the word across your social media pages too.”

THANK YOU TO THE MOSMAN NEWSAGENCY

Anthony Coleman and his team at the Mosman Newsagency have done a great both selling the Mosman Jigsaw as well as offering their services as the pick-up point for people who ordered and paid for their jigsaws on line.

In recognition of his and his team's support, last week President Mark Wallis presented Anthony with a Community Services Award. Thank you very much Anthony and also our thanks to all your team!

MOSMAN JIGSAW UPDATE

With Christmas fast approaching it is good to remember that a Mosman Jigsaw (*double-sided with images of Mosman both in 1890 and also in 2020*) would make a wonderful Christmas present so please talk to your family and friends.

Meanwhile, James Humphery was advised at short notice that there was availability of a selling slot at Bridgepoint and leapt into action and sold another 10 jigsaws!

ROTARY BRANDING

The Club has now updated all its apparel and badges to comply with the latest Rotary branding, as can be seen here by Dominique Rabu (straight from the catwalks of Paris??)

A REMINDER FOR THE 2022 DISTRICT CONFERENCE

The 2022 Rotary District 9685 Conference is planned to be a face to face event and you're invited to join DGE Lindsay and Tania for an exciting event '**Navigating Change**'.

For the first time in three years Rotarians will come together to celebrate how we *Serve to Change Lives*. Members were surveyed and the feedback influenced the decision to meet closer to home, for one day only. Many sites were researched and Plenary sessions will be held at West HQ, Rooty Hill on Saturday 19 March 2022. It's time to celebrate the amazing projects undertaken by your clubs, delivering life changing humanitarian service. The gala dinner will be on Friday 18th March – Bollywood style.

Your OoZoO editor registered today and noted that given the number of clubs and members in our District there were not a large number of places left so the recommendation is book now to avoid disappointment (and also to take advantage of the lower price for bookings prior made prior to December).

Here is the booking link: <https://navigatingchange2022.wordpress.com/>
